Kids Color Book — User Manual

Welcome to Kids Color Book!

Kids Color Book is a fun and colorful game where you learn how to mix colors and discover new ones. Are you ready to play and become a color master? Let's get started!. The game's user interface UI is designed in **German/ English** so children can easily play and learn color names in different languages through fun and interactive gameplay. The game also supports **touch input**, allowing children to play easily on tablets with tap and haptic feedback for an engaging experience.

Who can play?

- Children aged **5–10**
- Parents and teachers can also join to help or watch!
- No reading required – we use colors, sounds, and fun voices to guide you.

Devices You Can Use:

You can play on:

-  **Laptop/Desktop** (mouse + keyboard)
-  **Tablet/ Laptop** (with **touch**)

How to Play:

1. Start Screen:

When you open the game, you will see two buttons:

- **Start Game** – Tap to begin playing!
- **Settings** – Tap to change things like:
 - Sound on/off
 - Language (German/ English)
 - Exit

2. Game Screen (Color Mixing):

Now the fun begins!

1. **Look at the base colors shown.**
Example: *Rot + Gelb* (Red + Yellow)
2. **Think: What color do they make when mixed?**
Example: Orange!
3. **Choose your answer** by clicking or tapping one of the color options.

User Documentation – CodePlay

3. What Happens Next?

- If your answer is **correct**:
 - You get **positive feedback** with voice!
 - Your **score goes up**
 - You go to the **next level** — each level gets a little harder!
- If your answer is **incorrect**:
 - You see a **“Game Over”** message
 - But don’t worry — you can **try again** by tapping **“Play Again”** or exit.

Game Features:

- **Color Mixing:** Mix two or three colors to find the new color.
- **Friendly Feedback:** Listen to cheerful voice prompts and watch animations.
- **Score Tracking:** See how many colors you guessed correctly.
- **Easy Controls:** Tap or click buttons to choose your answer.
- **Restart Anytime:** If you make a mistake, just restart the game and try again.

Tips for Players:

- Don’t rush! Look at the colors carefully.
- Try to remember what colors mix together.
- Use headphones for fun voice help!
- Ask a parent or teacher if you get stuck.

Have Fun Learning Colors!

The more you play, the better you get at mixing colors! Enjoy your colorful adventure with Kids Color Book!
